

August 13, 2020

Dear friends and families,

At Bellaire at Stone Port we continue to follow guidance from the Virginia Department of Health (VDH) and the Centers for Disease Control and Prevention (CDC) as well as continue to hold the safety of our residents as the highest priority as well as maintaining the understanding that our seniors remain as the most vulnerable population.

We are currently working alongside the VDH and National Guard to initiate a Point Prevalence Survey, a baseline COVID test, as recommended by the VDH for all team members and residents. This is scheduled for Friday, August 14 from 7:30am to 10:30am.

We are thankful for our team members who are being so careful and our family members who support the restrictions we have put in place. A special thank you to all that have supported our community during this current time.

If you have any questions at all, we are here for you. Please call us at 540-246-0888.  
Stay safe!

Best,

Beth Wells, Executive Director
