

January 8, 2021

Dear Residents, Families and Team Members,

This letter is to inform you we have received confirmation from our Pharmacy partner, CVS, that our vaccine clinics have been scheduled. All clinics will take place at our community. The dates are as follows:

- | | |
|---------------------|---|
| Monday, January 18: | 10am-4pm - First dose for Residents and Team Members. |
| Monday, February 8: | 10am-4pm - Second dose for Residents and Team Members.
First dose for anyone new to Bellaire at Stone Port or for anyone who did not get vaccinated during the first clinic, February 8. |
| Monday, March 1: | 10am-4pm - Second dose for anyone who received their first vaccination February 8. |

We are currently in the process of educating our Team Members and Residents about the benefits of the vaccine and will be collecting consent forms for those who choose to be vaccinated. Please feel free to reach out to our community if you have questions.

With regards,

Cristen S. Hackenbracht
Executive Director
