Dear Family Members, Loved Ones, and Team Members,

This letter is to inform you that based on the recommendation of the Virginia Department of Health (VDH), Bellaire at Stone Port is continuing to test Team Members and Residents weekly using antigen testing. I'm excited to report that, at this time, there are no new positive COVID-19 cases.

As a reminder, limited visitation begins tomorrow. If you would like to schedule a visit, please contact our Concierge at 540-246-0888. Visits are being scheduled 24 hours in advance. Please also keep in mind that we will continue to assist families to connect with loved ones via telephone, email, virtual meetings, Facebook and Facetime.

Thank you for your continued love and support. If you have any questions, please do not hesitate to contact me.

With warm regards,

Cristen Hackenbracht
Executive Director
