### July 2019

#### **A Look Ahead to Activities in July**

July is synonymous with patriotism and if there is a them to our activities this month patriotism is it. We will be doing patriotic crafts, enjoying the Massanutten fireworks, watching patriotic movies and even having a special visit from George Washington himself on the 4th of July. We will also be hitting the road with both our Memory Care and Assisted Living neighborhoods to take in the summer sights and enjoy food from Hanks BBQ, Vito's and Kline's Dairy Bar. As usual we will have a variety of musical performers who this time around are sure to mix in some of your favorite patriotic tunes. At the end of the month we will even be hosting our first ever golf tournament, of the mini golf variety. All of this and more coming your way in July at Bellaire at Stoneport.

# Resident of the Month

Mario Williams is our Resident of the Month. Mario has lived in this area for his whole life spending most of his life living in Broadway. He worked as an Electronics Tech at ComSonics in Harrisonburg, joining the company when it was still operating out of the founders garage and sticking with them as they grew into the large company they are today. Mario was an avid golfer and played at many of the local courses including Luray Caverns, Shenvalee, and Spotswood Country Club.
