# Associate of the Month

Dinah Ritchie is our Associate of the Month. You can always count on her to come to work with a "get it done" attitude. She has regularly gone above and beyond to pick up extra shifts when needed. She consistently helps her coworkers in many different ways and never complains, regardless of what is asked of her. When you see Dinah in the halls please congratulate her on being our Associate of the Month.

"The strength of the team is each individual member. The strength of each member is the team"  
-Phil Jackson

# Resident of the Month

Tita enjoys helping others, one way that she currently does this is doing small sewing projects for other residents here at Bellaire. She learned how to sew in home economics class in high school and still sews by hand today. She also helped her Father by working in his tailor shop while growing up in Pearsall, Texas. She moved 27 times during her life, partially because her husband decided to retire no once, but twice. Retiring once from the Navy and once from E-Bay. Tita has two children who she describes as "caring and tough."
