September 2017

FAMILY IS FOREVER

National Assisted Living Week®

Sept. 10-16, 2017

Come Together

September is Intergeneration Month, a time for generations to connect through communication, celebration and education. Older adults can offer wisdom that only comes from life experience, while younger people provide new ideas and perspectives. Spend some time with each other and see how much you learn!

**Welcome the First Day of Fall on
September 22nd!**

Bellaire's Staff Member of the Month!

Meet Danielle Boyers, Bellaire's lead CNA in Reflections. She was born on December 26, 1987. Raised in McGaheysville, along with her two siblings. Graduating from Spotswood High School in 2008, followed by her CNA licensure.

Danielle says originally obtaining her CNA was just a career move, but she quickly found that she thoroughly enjoyed her work. Her favorite part of her career is caring for the residents.

Family is what grounds Danielle. She enjoys spending quality time with her husband of 5 years and her son William, who just turned 5! Visiting parks and local rivers are a few ways they spend time together. We are so honored to have Danielle as part of our Bellaire family!

Bellaire Volunteer

Gary Edlind Sr., Director of Visitation Ministries, leads daily devotionals here at Bellaire. He graduated from Stony Brook University in New York with a degree in Engineering Sciences.

He and his wife, Carolyn, raised their family in Napa Valley, CA and Werrenton, VA. Gary retired in 2003 from an engineering career with the U.S. Navy, and they moved to Harrisonburg to be central to their 5 grandchildren.

As an elder, Gary visits sick and new residents, and encourages everyone to do the same. Bellaire is so blessed to have such a dedicated volunteer as Gary!

Resident of the Month!

Born and raised in Pearsall Texas, Santos "Tita" Clouse has many interesting stories to tell. She has been married to her retired, Navy husband Frank for 53 years this October. Together, they have 3 children and a grandson, Jase.

Dancing was an important part of Tita's life from a very early age. She and her two brothers took dancing lessons, and Spanish dancing was her favorite. Having a father who was a drummer made dancing and music a vital part of life. Her first encounter with Frank was at a night club where he asked her to dance, twice. Three weeks later, Frank asked for her hand in marriage, and they sealed the deal three months later.

Sewing, cooking and walks in the rain are a few more of Tita's interest. When asked what was the one thing she missed the most, it was Frank's delicious Italian Cooking. Bellaire is delighted to have Tita as the resident of the month!

Denver the Therapy Dog!

Denver is a 90lb lab mix. He found his forever home in

September 2014, after recovering from being hit by an automobile. He loves visiting and giving kisses at elementary schools, nursing homes, hospitals and assisted living communities. At home, he loves to chase the Frisbee, catch tennis balls, and walk through the neighborhood. Denver brings smiles to everyone who meets him. Thank you, Denver, for your service!

TEXAS

They say that in Texas, there is nothing that is small,
That everything's "ten gallon" size;

And there's place to stand and look straight ahead,
And see for three days with your eyes.

They say the mountains are biggest by far,
And the plains are the widest you'll see;

That the antelope roam 'mongst the mesquite and sage;
That it's truly the land of the free.

There are no greater heroes in history's page,
Than the Alamo martyrs, they say.

And the Texans have fought in each war we have had,
To preserve the American way.

Although I can't claim to be Texan by birth,
'Tis here I'll be found bye and bye.

For you see, I have found what they say to be true'
So Texas, I'm yours till I die!
