

Dear family and friends,

The health and well-being of our residents and team-members is, and will always be, our top priority. Based on what is widely considered to be a critical two-week period, we implemented a temporary hold on all admissions for two weeks beginning Monday, April 6th. This measure is precautionary in nature and highlights our commitment to reducing the risk of COVID-19 exposure. We will continue to evaluate this as new information becomes available.

Thank you for your support and please continue to stay safe.
